## Louisville Metro Health Department Cooper Clayton Classes

This highly successful program provides 13 weekly, one-hour sessions that include education, skills training, group support, and nicotine replacement therapy (NRT). Participants use NRT for 10 weeks; all 10 weeks are provided at no charge, due to grant funding provided by the KY Department for Public Health. NRT will be dispensed on a week to-week basis by the class facilitator. NRT approved for these classes are Nicoderm CQ patches, Nicorette Gum or Nicorette Lozenges. Advance registration is required. Dates listed below are start dates for each series. Once a series has begun, we cannot add additional participants. **Additional class series may be added, so call or e-mail for the most up-to-date listing! Call 574-STOP (7867) or e-mail StopSmoking@louisvillekv.gov.**
